

What is the Philmont Staff Association?

Let the camaraderie continue!

The PSA is made up of more than 2200 former staff members like you, who have hiked Philmont's rugged mountain trails and who care about Philmont's future.

Projects that make a difference!

We fund Rayado and ROCS scholarships to help deserving teens participate in these challenging adventures.

We offer college tuition help to seasonal staffers demonstrating extraordinary leadership and service and a strong work ethic.

We contribute thousands of hours and to aid Philmont's conservation efforts, such as: reforesting after the North Country fires; restoring the Abreu and Fish camp cabins; restocking native trout in the Ponil; and building trails.

We sponsor Philbreak, which provides a spring break of service to the Ranch.

We host the Adopt-A-Staff program, connecting former staffers to current ones through the care packages we send.

We work to protect the Valle Vidal from coal bed methane drilling and to inform our members of the proposal's status.

"Philmont has touched our lives in more ways than can be counted. Joining the PSA allows members to rekindle old memories at the many events and activities while allowing us to give back a small token of our appreciation for the people we have become." Jon Seim 93-99

"Philmont has been the one place and event in my life that has stood out more...than any single event. My experiences there, the friendships and memories will be with me always." Ned Gold, 59-61, 63-65, Founding President
